**SHIPPING DATE PREFERRED-----**

Enclosed is \$----- for the following peony roots to be sent prepaid. Shipping will begin as soon as possible after September 10th, weather permitting.

NOTE: The not named varieties are regular show garden type peonies. The names were lost three years ago when they were moved from a well known peony garden, therefore they are of the same type as the listed varieties.

The named varieties in collection offer #1 will be from a field that has to be cleared this fall.

Not named varieties will be labeled with the following lettering: W for white, R for red, P for pink, S for single, D for double and SD for semi-double. Thus R SD will identify a red semi-double variety.
